Recap: No-nude

- Expend effort on No-nude: it's sexy!
- *Engineer* shots: Plan, Direct, Shoot
 - At start, but also NDE, OL, EXP and INS
- OK if you make a “mistake”! Reshoot.

Assignment: Review and annotate images

- Download MS Word doc of images. Describe:
 1. Is it no-nude? What sub-level?
 2. If not no-nude, what could be done to make it so?
 3. If no-nude, how could it be pushed harder?
 4. How was this engineered (as is)?
- Top-5 list of the most provocative images, describe why
 - Place into a separate doc
- Pass completed doc to trainer. Include the images in the doc.
